

## Open Heaven Portal Is Our Birthright (III)

*“Oh, that You would rend the heavens! That You would come down! That the mountains might shake at your presence.”*

*Isa 64:1*

How does an earthling possess the promise of this glorious open heaven portal? When the optimum temperature of praises and worship reaches a high peak level, there will be an open heaven experience accompanied by the manifestation of His living presence (2 Chr 20:21-22). The hand of the Lord will release breakthrough and the saints shall possess the valley of Berachah (2 Chr 20:26). Berachah in the Hebrews means abundant blessings. The extent of the blessing was aptly described in verse 25.

An open heaven is the formation of a divine zone whereby Heaven has free access to invade Earthly's affairs. The most precious blessing will be the increasing measure of the growing awareness of the awesome presence of God (Isa 66:2). A supernatural canopy of peace and the overflowing of the River of His presence will be felt there (Isa 66:12). They will drink deeply of the supply of His glory (v. 11). This glory will overflow and torch the gentile nations (v. 12).

When God comes, He will be our shield and fight our battles. The enemies will flee and the spoils of victories will be our portion as Jehoshaphat received that day. The mighty display of His awesome powers will be displayed too (v.12,17). Who fights for them? The angelic hosts! (Exo 14:19, 24-25). In an open heaven atmosphere, the angelic host will be an additional covering of protection (Ps 91:1,11). A shalom rest atmosphere will rest over our dwellings (2 Chr 20:30). Today, Jesus is our open heaven and our rest in God! (Jn 1:51; Mt 11:28). By the power of His blood, we now access to Heaven! (Heb 10:19; 4:16; 12:22-24)
